Mexican Officials Endorse Executive Symposium for Innovators in Coastal Tourism

May 15-18, 2013
Los Cabos, Mexico

The Center for Responsible Travel (CREST) is pleased to announce that the Secretary of Tourism for the state of Baja California, Ruben Riachi, has pledged his support for the 2nd Executive Symposium for Innovators in Coastal Tourism Development to be held in Los Cabos, May 2013. Also, the Director of FONATUR for Los Cabos & Loreto, Hector Alfaro, has joined the official Invitation Committee, and both the municipalities of Los Cabos and La Paz have also endorsed the Symposium.

In addition, CREST announces that both [Moncada Energy](#) and the [Good Night Foundation](#) have become official sponsors of the Symposium.

Who are the Innovators?

The symposium's primary participants will be executives involved in 'green' innovations in coastal resort and second home design, construction, financing, and property management, as well as marine tourism. Gathered for the first time in Mexico, the executives at this Symposium are the pioneers who are breaking the mold of old approaches to coastal and marine tourism and forging new, sustainable techniques that are the wave of the future. [Click here](#) for a list of Alumni Innovators from the 2010 Symposium.

Interested in Sponsoring?

Check out the range of [sponsorship opportunities](#) and how the Symposium can help promote your company or organization.

Apply to be a Speaker:

If you would like present on any of the proposed topics - or if you would like to suggest another topic, please fill out the [Speakers' Application Form](#)
